

Transborder Services

Commodity Descriptions

Under ACI eManifesting requirements (Advance Commercial Information), Northbound shipments to Canada may be delayed by Canada Border Services Agency (CBSA) if the commodity descriptions on the Bill of Lading and Commercial Invoice are vague and generalized. The table below is a partial listing of **Not Acceptable** and corresponding **Acceptable** commodity descriptions. All shipments moving to Canada should have detailed, common sense commodity descriptions on the Bill of Lading and Commercial Invoice.

Source: Canada Border Services Agency (CBSA). This list is not exhaustive and is subject to change as acceptable descriptions are further refined. Quantity and/or type of packaging are not to be included in the cargo description field ("1 load of", "10 boxes of", "3 pallets of" etc.). If the cargo is "used", specify "used" in front of the description, otherwise the cargo is assumed to be 'new'.
